## Commercial National Financial Corporation Reports $4^{\text {th }}$ Quarter 2020 Earnings

Ithaca, Michigan, January 28, 2021 (GLOBE NEWSWIRE) -- Commercial National Financial Corporation (Pink Sheets: CEFC) today announced fourth quarter 2020 net income of $\$ 1,237,000$, or $\$ .31$ per share compared to fourth quarter 2019 net income of $\$ 1,316,000$, or $\$ .33$ per share. Return on Equity (ROE) was $11.91 \%$ for the fourth quarter of 2020 compared to $13.51 \%$ for the fourth quarter of 2019.

For the fourth quarter of 2020 , net interest income increased $\$ 133,000$, or $3.5 \%$ compared to the fourth quarter of 2019 primarily due to interest and accretion of fees from Paycheck Protection Program loans. These loans were authorized by the CARES Act approved by Congress in late March in response to the Covid-19 pandemic. Operating expenses increased by $\$ 59,000$, or $2.1 \%$ primarily due to the absence of FDIC insurance expense small bank assessment credits that were received in the prior year.

The provision for loan losses expense was $\$ 200,000$ for the fourth quarter of 2020, compared to none for the fourth quarter of 2019. The provision expense primarily relates to specific reserve allocations to pandemic-affected borrowers.

Total assets were $\$ 547.8$ million at December 31, 2020 compared to $\$ 504.9$ million at December 31, 2019. The increase was primarily due to $\$ 31.6$ million of Paycheck Protection Program loans outstanding at December 31, 2020 compared to zero at December 31, 2019. Total loans of $\$ 409.1$ million increased $\$ 23.4$ million, or $6.1 \%$ year over year.

Commercial National Financial Corporation operates through a single subsidiary bank, Commercial Bank. Visit www.commercial-bank.com to view the latest consolidated Annual Report, news releases and other information about CEFC and Commercial Bank.
