## Commercial Bank Receives Top 5-Star Rating

June 2015

Commercial Bank has, once again, earned the top 5-Star rating for financial strength by BauerFinancial Inc., the nation's leading independent community bank rating firm. BauerFinancial rates all banks on a zero to five star scale with 5-stars being the strongest. BauerFinancial's rating system is based upon an analysis of current financial data as supplied by federal banking regulators, with the 5-Star rating indicating the Bank's solid capital position, profitability, sound asset quality, and balance sheet strength.

"We are proud to receive this superior rating from BauerFinancial. It is through the dedicated efforts of our team members and our commitment to the communities we serve that we were able to achieve this rating. Since 1893 Commercial Bank has strived to meet the financial needs of our customers by building long-term relationships which has led to our success." said President and CEO Kevin Collison.
