

Step 1: Open your “Wallet” app on your phone.

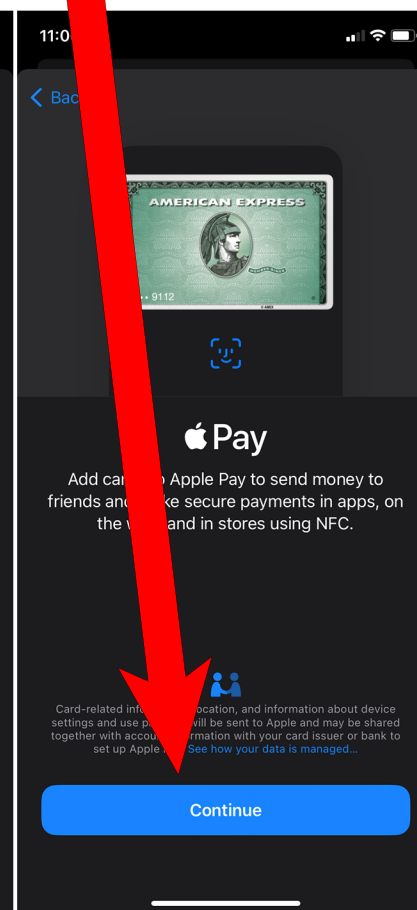

Step 2: Select the “+” button in the top-right corner of your screen.

Step 3: Select “Debit or Credit Card”

Step 4: Select “Continue” to add your card information.

Step 5: Position your card in the frame, or enter your card details manually.

Once your card is added, you will have access to using your debit card at any contactless (NFC) terminal. Simply open your mobile wallet and choose your debit card. Then follow the on-screen instructions on how to make a transaction at the NFC terminal.
