## Commercial Bank Welcomes Brent Hardman to the Board

Commercial Bank and Commercial National Financial Corporation are pleased to welcome a new member to the Board of Directors, Brent Hardman. Hardman will assume his position on the board on October 7, 2020.

“Brent’s experience in engineering, information technology (IT) and manufacturing will provide valuable perspectives to our team,” said Dick Prestage, Chairman of the Board.

Hardman is Co-Owner and Chief Executive Officer of Powell Fabrication & Manufacturing LLC (Powell) located in St. Louis, Michigan. Powell is the world leader in the design and build of technologies for the manufacture, processing and safe handling of sodium hypochlorite (bleach), acids, bases, and other disinfection chemicals.

Hardman earned his Bachelor of Science degree in Mechanical Engineering from Saginaw Valley State University and his Master of Business Administration from the University of Michigan, Flint. In addition, he is a licensed Professional Engineer.

Born and raised in Gratiot County, Brent and his wife Karen are parents to two children and live near Ithaca. Brent currently serves on the Ithaca Public Schools Board as well as the Central Michigan Manufacturers Board.
